GBO Foundation

Website copy, flagship programme and initial stewardship commitments

Identity and purpose

- GBO Foundation — Community • Compassion • Dignity.
- Together, We Can Make a Difference.
- Our first commitment is that no elderly person should be forgotten.

Mission and vision

- Mission: Promote dignity and community responsibility through practical help, partnership and responsible volunteering.
- Vision: A society where older and vulnerable people are respected, supported and included.

Values

- Compassion, dignity, integrity, community, transparency and service.

Flagship programme: The Elderly Care Initiative

- Identify older people experiencing isolation or inadequate support through referrals and responsible screening.
- Coordinate companionship visits and access to essential supplies where funds, partners and safeguarding allow.
- Start small, maintain beneficiary consent and confidential records, and publish aggregated, privacy-safe impact updates.

Other proposed programmes

- Community outreach and referrals.
- Basic needs assistance: food, clothing, bedding and necessities.
- Volunteer and community engagement with appropriate safeguarding.

Volunteer and partner pathways

- Register interest, describe skills, availability, location and references; safeguarding checks before visits.
- Partnership proposals: business name, contact person, type of support, delivery plan and reporting expectations.

Donations and accountability

- Do not transfer money to personal accounts. Official donation information will be shown only after governance and verified channels are in place.
- Track gifts, approvals, distribution and beneficiary acknowledgments; use restricted donations only for their stated purpose.

Contact and legal note

- Use gbosolutions.com to contact the coordinating team until official Foundation channels are established.
- The initiative is being developed; public claims must reflect verified activities and registered legal status.
